

REUSABLE

Tempaper's self-adhesive, "peel-and-stick", temporary wallpapers are applied by simply removing its backing to adhere to a smooth, primed and painted surface and then just peel off to remove. It is fun and high-impact decorating for those who do not want to make a long-term commitment to a permanent design. Deep blue Honeycomb wallpaper, \$98/roll, TempaperDesigns.com

UNORTHODOX

Swedish luxury rug maker Henzel called on the art world's biggest names – including Juergen Teller, Richard Prince and Helmut Lang – for an extraordinary avant garde rug collection, as much wall art as rugs. Pictured is Helmut Lang's sculptural and industrial 3D design, *Untitled*. Byhenzel.com

FAUX CHIC

Marble is enjoying a major comeback, so the launch of Million Dollar Decorator Martyn Lawrence Bullard's new collection of marbleized wallpaper, is perfectly timed. The trompe l'oeil collection draws inspiration from legendary decorator Renzo Mongiardino & Venetian marbled paper. \$350/roll, Fschumacher.com

FURNITURE FABRIC DELUXE

Armani / Casa debuted wallpaper at the Salone del Mobile design fair in Milan. In collaboration with Jannelli&Volpi, the collection combines modern printing techniques with refined materials, including silk, metallic thread and marble-effect motif. Wallpaper is also used on furniture pieces, such as on this decorative screen. ArmaniCasa.com
